### A Journal Entry:

Please write a personal journal entry about your thoughts related to the content of this leadership program and how the concepts can be applied in your upcoming leadership assignment. Journal entries should be no less than 500 words in length, to ensure sufficient depth (of course, they can be longer, if that is useful to you).

**Please submit the journal entry to Dr. Gedeon by no later than 11:59 pm on October 2, 2020. All submissions will be kept strictly confidential by Dr. Gedeon. In other words, they will NOT be submitted to any person or organization beyond Dr. Gedeon without your explicit and prior consent.**

Here are the questions:

1. Name three main developmental concerns you will pursue over the coming to better develop your leadership sensitivity and effectiveness. Please append the table below to your journal entry.
