

# The Art Public Sector Leadership

## 4. So Much Theory

### **Purpose:**

This exercise is intended to guide you through a reflection on several important aspects of leadership in a transforming world. The topics being discussed in this exercise will be revisited and revised (potentially) in a later module. Please:

- Discuss them with your group members at our live session
- Be prepared to discuss with the larger group at the upcoming in-person session

Here are the questions:

1. Please discuss the notion of constructivist-developmental leadership, and how it might relate to your own growth as a leader.
2. Please discuss how and when you have seen the tenets of Internal Transformation and growth at play in your personal and professional contexts.
3. Please discuss how initiatives you have worked on may have benefited from a grounding in the tenets of Internal Transformation.
