

The Art of Cultural Transformation

6. Looking Ahead

Purpose:

This exercise is intended to guide you through a reflection on several important concepts regarding culture and to move toward an implementation commitment. Please:

- Discuss the questions below with your breakout group.
- Fill in the chart and make arrangements to meet with your group in a number of weeks in order to have an “accountability” discussion

Here are the questions:

1. Name up to 3 institutional facts that are effectual upon your corporate culture.
2. Please name several actions you can undertake to either counteract or support these facts in the coming weeks.
